FSBGC College Scholarship Recipients Announced During Annual Luncheon

2016-2017 Fort Smith Boys & Girls Club college scholarship recipients were honored during an annual board of directors scholarship luncheon held June 13 at the UAFS Blue Lion. $39,750 in support was awarded to 33 Club members, including 10 incoming freshmen.

Committee chairman Hugh Maurras served as emcee for the event. He recognized the donors for their generous support of the program. “This is an outstanding group of young people” said Maurras. “The scholarship committee was very impressed with our candidates” he added.

FSBGC board member Sam Sicard was guest speaker. Sicard is president of First National Bank and a graduate of the University of Arkansas.

The scholarship program was established in 1985 by Jim & June Alexander. Since the creation of the program, 761 awards have been granted, with 315 FSBGC individual Club members receiving support.

Applicants must have participated at the Club as a member or volunteer for a minimum of two years. Financial need, Club participation, and academic excellence are key ingredients that committee judges consider when making selections. The scholarship committee conducts interviews with all new applicants.

The FSBGC College Scholarship program is one of the largest in the country (for Boys & Girls Clubs). Funding for the program is made possible by: Jim & June Alexander; FSBGC Alumni & Friends Association; Steven D. Jenkins memorial; Jack & Mollie Grober memorial; Vic Forsgren memorial; Reid Bartlett and Grant Elison Plunkett memorial; Robert E. Miller Family foundation; Robert A. Students from 15 area elementary schools took part in the annual Earnest Cialone Chess tournament held at the Evans Boys & Girls Club on May 20.

**2016 Elementary Chess Tourney Held at Boys & Girls Club**

With 184 elementary students participating, the fifth annual city-wide Chess Tourney was held at Evans Boys & Girls Club on May 11. The event was established by Tim Higgins, David Israel and Ernest Cialone in 2011.

“We look forward to hosting this event every year” said Tim Higgins, unit director of the Evans Boys & Girls Club. “It’s great to see all the different schools represented and the eagerness of all the students participating” he added. The event started with 40 competitors in 2011. That number grew to 54 in 2012. By 2013, the size of the tourney doubled to over 100 students. In 2014, there were 140 participants, and last year the number reached the 200 mark.

Chess continues to grow in popularity among elementary aged students. Through the efforts of volunteers like David Israel, the program has expanded throughout Fort Smith schools. Several of the teams wore specially designed t-shirts during this year’s competition. Participants play four matches within a designated time frame.

Schools participating included Carnall, Euper Lane, Cook, Howard, Orr, St. Boniface, Beard, Woods, Trusty, Sutton, Spradling, Morrison, Cavanaugh, Ballman and Barling. Seven students went undefeated during the tourney, including Cole Elwonger, Nathan Fuhrman, Ellia Crase, Dayen Bradley, Khalil Anderson, Robbie Clegg and Ricardo Rivera. Each of these received medallions for their winning scores. Barling was crowned overall school champion and was presented the traveling team trophy.

The program emphasizes self-discipline, concentration, focus and sportsmanship. It also introduces students to the Boys & Girls Club. Volunteers and teachers provide meals and snack for the participants. Sam’s Club helped support the event with volunteer manpower.

For the second year in a row, the River Valley Corporate Games challenge benefited the Fort Smith Boys & Girls Clubs. The event was held at various locations from April through June, and consisted of company based teams competing in a variety of sports.

Noel Sanger of United Federal Credit Union was responsible for coordinating the on-going event, with teams participating in basketball, bowling, dodgeball, volleyball, wiffleball, indoor soccer, kickball, flag football, wallyball and tug-of-war. With help of Ty Matlock and Noel Sanger, contest schedules were created and coordinated with FSBGC director of operations Jason Morland. The Fort Smith Chamber of Commerce served as a partner and helped with communications.

“We expect this event to grow every year” said Morland, who received a $2,125 check on behalf of the FSBGC at a presentation event on July 11 at the Evans Boys & Girls Club. “Employees look forward to participating in these fun games, which help create teamwork and friendships” he added.

The traveling team trophy was presented to the FSBGC, with Baldor placing second and Behavioral Health finishing third.

PGA Grant Provides Golf Lessons At FSBGC

Through a grant provided by the PGA along with Boys & Girls Clubs of America, the FSBGC is offering free golf instruction for Club members. This is the fifth year that Ben Geren golf pro Steve Nicholls is teaching golf lessons at the Club.

Two summer terms are held and lessons take place weekly at the Evans unit. At the end of each term, participants travel to the Ben Geren golf course to experience hitting golf balls at a regulation facility.

PGA instructor Steve Nicholls said “I really enjoy getting to see these young people learn the game of golf. Getting to play through the Boys & Girls Club is something they will remember for a long time” he added. “Golf is a game that looks easier than it really is” said Evans unit director Tim Higgins. “Steve does a great job of teaching the basics” Higgins added.

2016 FSBGC Registrations Football / Soccer / Cheer

Sign-ups for football, soccer and cheer programs are being conducted at all four Boys & Girls Club locations July 18-29 and August 15-26. The activity fee for each program is $25. All participants must have a 2016 FSBGC membership card ($10).

Age groups for Football and Cheer include: Rinky Dink (grades 1-2); Pee Wee (grades 3-4); Midget (grades 5-6). Soccer leagues include: Minor (grades 1-3); Major (grades 4-6); Junior (grades 7-9).

SPORTSMEN WIN ANNUAL SPRINGFIELD TOURENY

With a record of 24-1 through July 5, 2016, the American Legion baseball “Sportsmen” of Fort Smith have been picked as one of the top teams in the state. The Sportsmen recently won the Springfield Price-Cutter Invitational tournament in Missouri and finished runner-up in the Fourth of July tournament in Bartlesville, Oklahoma.

Team manager Trey Prieur says the team is getting ready for state tournament action. Last year, the Sportsmen finished state runner-up, with the 2015 State tourney being held at UAFS Crowder Field.

“We have a very balanced team this year” said Prieur. “Our players understand the importance of teamwork and determination” he commented. The 2016 State tournament is being held in Conway at the Hendrix College field.
