CRAIG STRICKLAND AND CHASE MORLAND REMEMBERED

In a devastating hunting accident that took the lives of Craig Strickland and Chase Morland during the Christmas holidays, FSBGC staff reflected on their loss at a recent staff meeting. 

“Chase was a regular at the Evans Club while growing up” said his cousin, FSBGC director of operations Jason Morland. “He was a long-time Club member who loved playing basketball” he added. Chase and Craig died as a result of winter storm Goliath while they were duck hunting in Oklahoma.

Craig Strickland hosted Step Up Speak Out events at the Boys & Girls Club in 2012 and 2013. He was lead vocalist in the country band Backroad Anthem, and helped raise money for the FSBGC during a Cox Community concert featuring Chris Young. Strickland, a former television host on the CW, was known for his charisma and upbeat stage presence. Backroad Anthem recorded a song written by FSBGC executive director Jerry Glidewell on their first album.

National media reported on the tragic accident during a two-week span in which Morland and Strickland were first reported missing. Both were avid outdoorsmen who loved fishing and hunting. Well wishes and support for the Morland and Strickland families have been received from throughout the country.
HOLIDAY HONORS SUPPORT TOPS $10,000 FOR FSBGC

Helping needy kids afford a Club membership card and activity fee is the purpose of the Holiday Honors program. Since 2009, donors have provided financial support while giving recognition to friends or family members during the holidays.

The Boys & Girls Club provides acknowledgment cards to those being honored. “A gift to feel good about” is the tag line for the fundraiser, which is a special way to help families that are impacted by unemployment, poverty, or disadvantaged circumstances.

A 2016 annual Club membership card is $10 and activity fees are $25. Activity fees are charged for each major sport, the summer program, and the after-school shuttle.

T.J. MUSIC PROGRAM TO OFFER GROUP LESSONS

Fort Smith Boys & Girls Club members will soon have the opportunity to participate in group guitar and piano lessons at the Boys & Girls Club.

Through the vision and fundraising efforts of Tommy Cunningham, the T.J.’s Guitar Program at the Club is being expanded to provide additional music instruction. The T.J.’s Guitar Program was established 6 years ago in memory of T.J. Cunningham. Each year, two guitars are given to Club members at the annual FSBGC music fest.

“We would like to grow this program to where Club members can get involved in several venues of music, including performance and sound engineering” said Cunningham.

Hot Dog Tradition Continues Through Kiwanis Club

Members of the Noon Kiwanis Club of Fort Smith celebrated New Year’s Eve with it’s annual “holiday hot dog luncheon” at the Fort Smith Boys & Girls Club. Approximately 200 Club members enjoyed the meal, which has been a tradition by the Kiwanis for more than 25 years.

“We had lots of fun and fellowship with the kids and staff” said Kiwanis president K.C. Shay. The Kiwanis Club has sponsored Club activities since the Fort Smith Boys & Girls Club was founded in 1928.

Each summer, the Noon Kiwanis Club provides a free week long summer camp for kids at Lake Fort Smith. Kiwanis International is as a partner with Boys & Girls Clubs of America.

Files Remains Humble While Reflecting On NFL Career

In 1970 he was voted runner-up Rookie of the Year in the NFL. Jim Files, the former standout linebacker for the Oklahoma Sooners and New York Giants, discussed his professional football career during the FSBGC Alumni & Friends BBQ held on October.

Files grew up in Fort Smith, and attended the Wheeler Boys Club as a youngster. At Southside High he was a quarterback who was part of the first graduating class. Through the help of Rebels coach Charles McGibbony, Files signed a scholarship to attend OU. Switching from quarterback to defense proved to be a profound move, as Files learned to play several defensive positions.

At OU Files led the 1967 Sooners to an 10-1 season that included an Orange Bowl victory over the # 2 ranked Tennessee Volunteers. During the NFL draft in 1970, Files was selected in the first round by the Giants. His teammate, Steve Owens was also drafted in the first round by the Detroit Lions. During the same draft, Terry Bradshaw was selected by the Pittsburgh Steelers.

For the next four years, Files would play against legendary stars like Larry Csonka and OJ Simpson. He said the biggest difference between college players and the pro players was the athleticism of the linemen. In Jim’s first season with the Giants, the team finished 9 – 5 and barely missed the playoffs.

At the end of the 1973 season, Files decided to leave professional sports and go into the ministry. His faith and calling to follow a strong spiritual path outweighed the ups and downs of professional sports.

Today, Jim Files enjoys working with high school athletes through his college scholarship recruiting service. He and his wife Jane have three children, Jessi Files Forster, Jenni Files Jordan, and State Senator Jake Files, and several grandchildren.

Former NFL linebacker Jim Files served as guest speaker for the annual FSBGC Alumni & Friends BBQ. Files was a first round draft pick who played for the New York Giants. He was a standout baseball player for the Fort Smith Boys Club as a young teenager.

Annual Optimist Day Bowl Games Held At Northside High

Northside High School was host of the annual Fort Smith Boys & Girls Club Optimist Day bowl game celebration on October 31. The festivities included the Optimist Queens contest ceremony for each of the three leagues. 18 queen contestants helped raise funds that will be used for the 2016 FSBGC football and cheer programs. “We appreciate Fort Smith Public Schools athletic director Jim Rowland for allowing us to use the high school facility” said Rhonda Murphy, Optimist Queen contest coordinator. “Our queen contestants and their families enjoyed being at Northside for the event” she added.

The queen’s competition has been a FSBGC tradition since the late 1940’s. Contestants are selected from the cheer teams and each raise money to be counted in their voting jars. Nearly $5,000 was raised this year through various fundraising activities, including: bake sales, car washes, garage sales, chilli suppers, etc.

Grizzlies coach Mike Falleur was on hand to watch the football games. “These kids are the future of our program” said Falleur. “We want to help create interest by welcoming these young athletes to our home field” he noted.

Although most of the FSBGC football games are played at Hunts Park, two dates were set aside for games at Southside and Northside High.
